

## Application for support of OBC club mapping projects

Please submit the completed application to the OBC Executive  
at this e-mail: [bee\\_at\\_msl.ubc.ca](mailto:bee_at_msl.ubc.ca)

1. Club name, and name/e-mail address of the contact person for this application

2. New map location (geographical description and Google Earth kmz):

3. Map type (sprint, forest, ...) and description of terrain

4. Event type(s) envisioned for this map

5. Potential (if any) to accommodate larger O events

6. Permitting requirements? (preliminary assessment)

7. Anticipated benefit of the proposed mapping (e.g. increased club membership, capacity to host new events).

8. Budget, proposed timeline and deliverables. Please provide: 1) table with breakdown of timelines, activities, line item budget, milestones/deliverables; 2) text box for budget justification)

--

## OBC review criteria

Criteria that may be considered in evaluating your proposal's merit:

- Potential to increase overall participation in orienteering
- Potential to expand geographical reach of OBC
- Potential for offering a wide spectrum of O courses from beginner to elite
- Potential to be used for BCOC, WCOC, COC, NAOC events
- Need for funding and appropriateness of any matching funds
- Project timeline
- Equity between clubs (level of previous funding, results of previous mapping funds awarded)
- Commitment from club to provide, upon request, metrics on use of the map.
